

OLD TESTAMENT  **NEW TESTAMENT**

The question in scholarship is always about continuity verses discontinuity. Which system better makes sense of the information of the Old Testament and the information in the New Testament.

BIBLE THEOLOGY

Bible Theology seeks to understand the Bible as a unified whole from cover to cover, through different themes.

SYSTEMATIC THEOLOGY

Prolegomena	Bibliology	Theology Proper	Angelology	Anthropology	Soteriology	Ecclesiology	Eschatology	Christology	Pneumatology
-------------	------------	-----------------	------------	--------------	-------------	--------------	-------------	-------------	--------------
