**EMPHASIS:** The indescribable glory of God is on display through creation.

### **INTRODUCTION:**

Psalm 8 gives us a panoramic perspective of God's glory on display through his creation. Imagine, if you can, the grandeur of God's glory. Pause. Contemplate. Now consider this glory radiating throughout the heavens, the universe. Impressive. Majestic. Awesome in every sense. It's hard not to feel small or insignificant in this moment. As this glory permeates all of creation, mankind is in a unique position as the capstone of creation – as image-bearers, as race representatives, as the royal recipients of divine glory responsible to reign over the terrestrial creation.

**CHECKPOINT 1:** Indescribable Glory (vv.1-2)
